CUSTOM DESIGNED

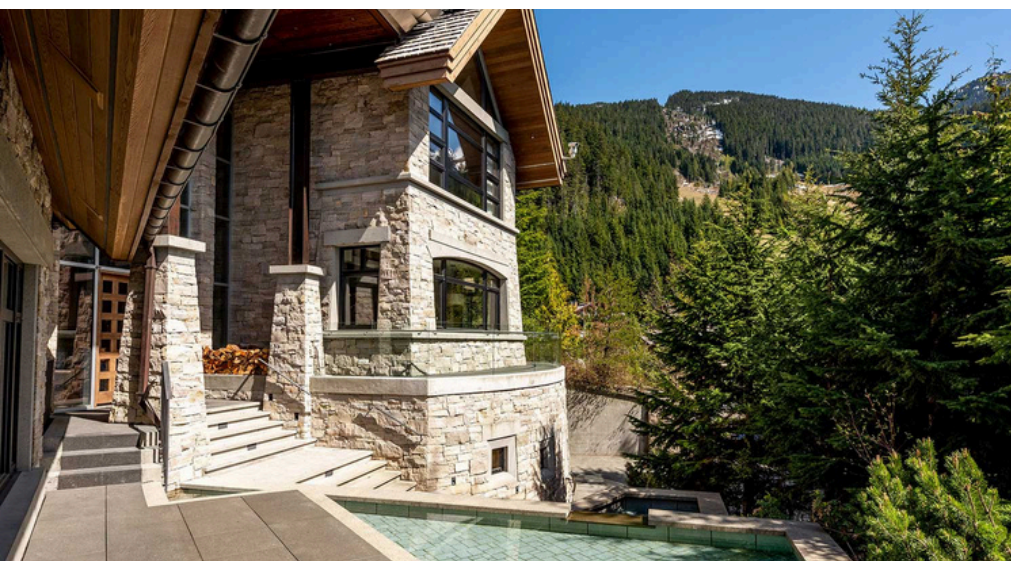

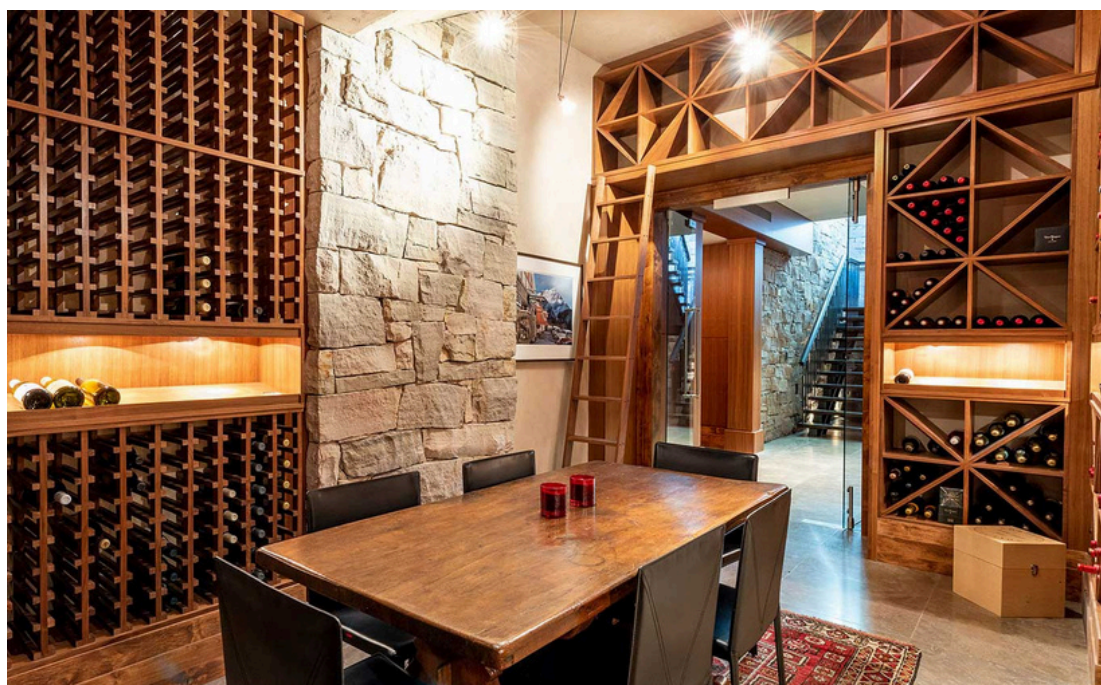

Perched on Whistler Mountain with spectacular ski-in/ ski-out access on the Dave Murray Olympic Downhill, this unique residence features the finest in custom design and high-performance living. The expansive heated patio and feature infinity pools, plus hot tub offer privacy and incredible views of Whistler Peak and the Olympic rings. Concrete, steel, and timber-frame construction are showcased in this five-bedroom residence with gourmet chef kitchen and prep kitchen, grand room with open concept dining, wired media and games room, and temperature-controlled wine cellar. This is a world traveler's house constructed with the highest quality materials sourced from around the globe. With gated secure access in the exclusive Taluswood neighbourhood, this residence offers the seclusion of a mountaintop hideaway and a destination fit to be called home
