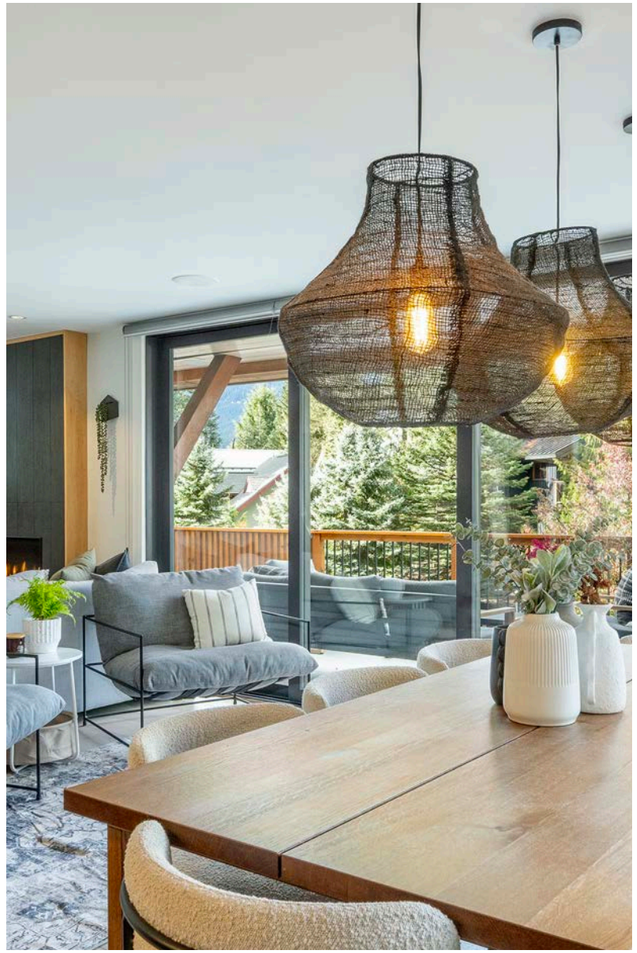
CREEKSIDE REIMAGINED

Conveniently located at the base of Whistler Mountain in Creekside, with the ability to ski out to Creekside and enjoy a quick walk to shops and amenities. Completely renovated in 2017, with interior design by Coast & Oak, this beautifully home offers expansive decks with panoramic valley views. The main home features 4 bedrooms and 2.5 bathrooms, plus a finished 1-bedroom, 1-bathroom revenue suite. Direct garage access, abundant storage, and an EV charger add convenience. Enjoy an 8-person hot tub, wide-plank oak floors, upgraded appliances, gas heating, in-floor heat, Sonos speaker system and exceptional energy efficiency. A low-maintenance, turn-key mountain home where everything is done.

Room to relax. Space to gather.

Warm, modern and naturally connected, the open living area centres on a sleek gas fireplace, while wide-plank oak flooring, integrated speakers and generous windows enhance the mountain setting.



Designed for time together.

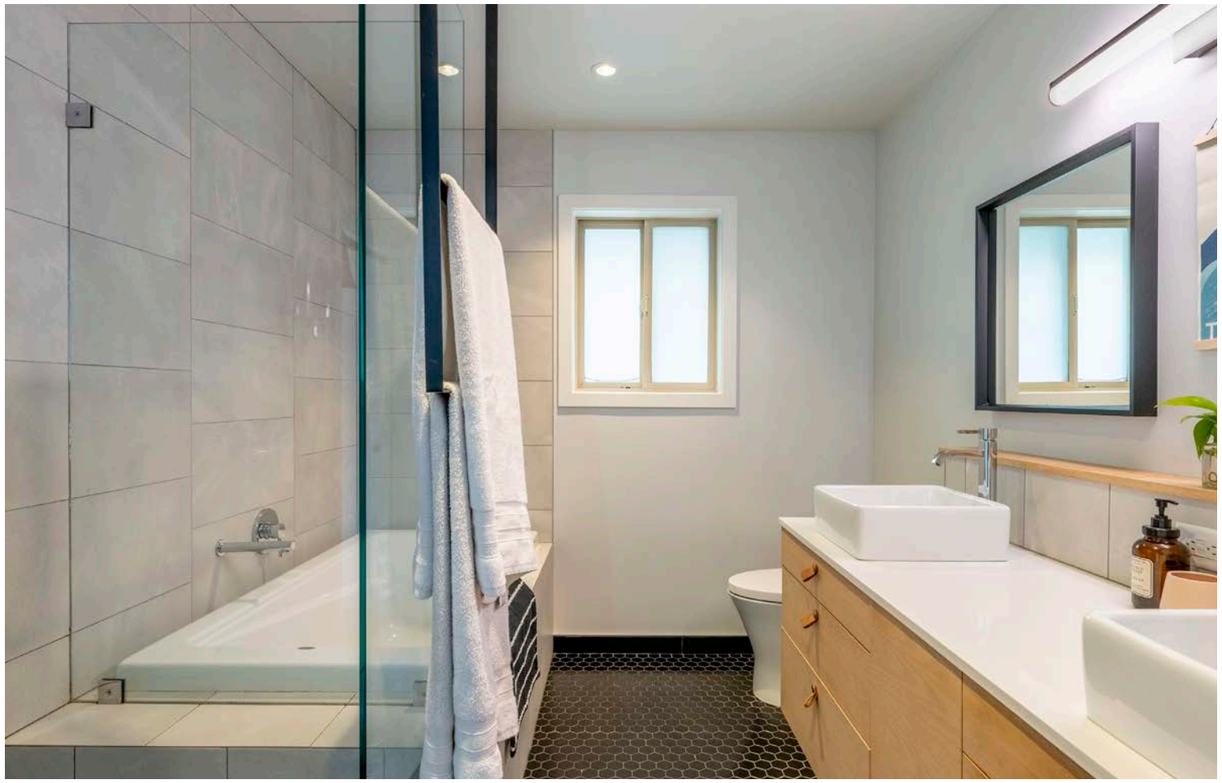
Positioned between the kitchen, living room and deck, the dining area keeps conversation flowing - from relaxed breakfasts to lively dinners with family and friends.

The expansive deck off the main living area draws daily life outdoors, with panoramic Whistler Valley views and a eight-person hot tub ready for quiet mornings, sunny afternoons and long soaks after a day on the mountain.

A kitchen at the centre of it all.

Designed to work beautifully.

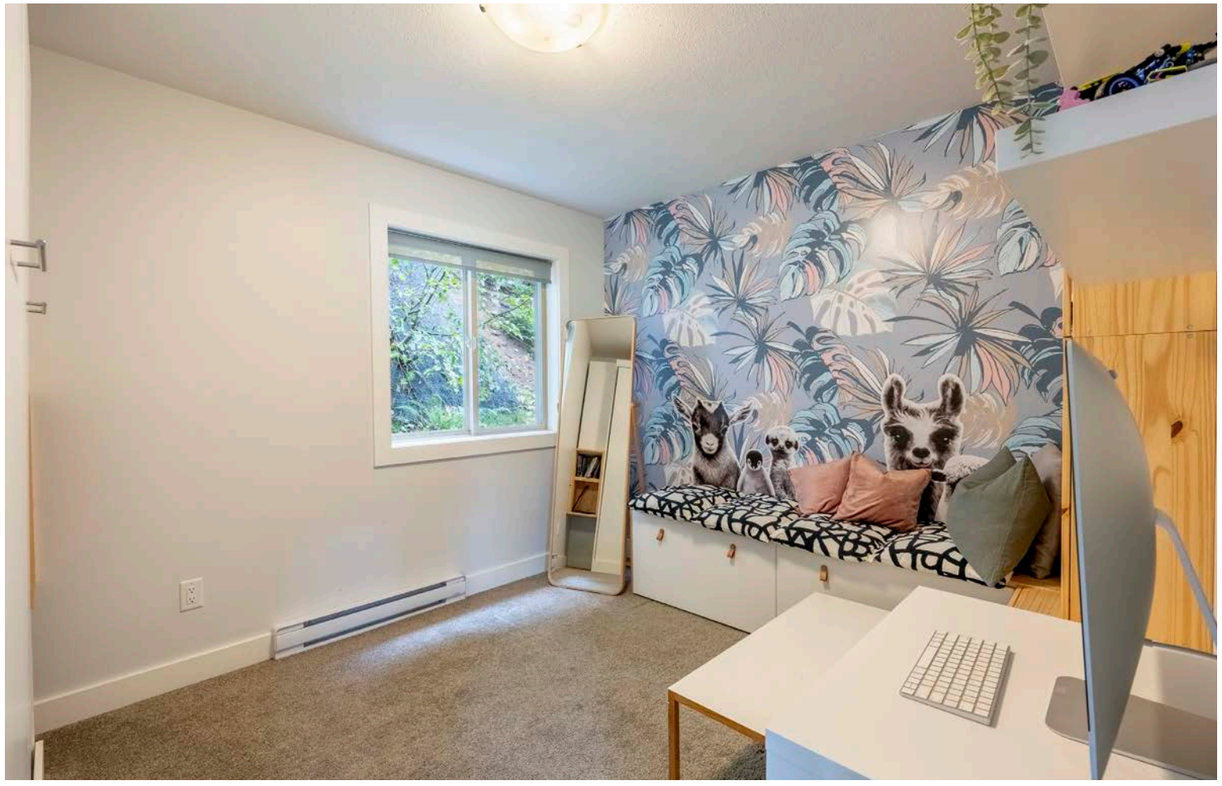
Clean-lined cabinetry, a generous island and upgraded appliances give the renovated kitchen a polished, practical edge - equally suited to weeknight meals and weekend entertaining.



Corner windows frame layered mountain views

Set on the upper level, the primary suite includes a generous bedroom, a wall of built-in wardrobes, direct access to the upper deck and an updated ensuite with a dual-sink vanity and glass-enclosed tub and shower.

Room to flex with life.



Three additional bedrooms in the main home offer comfortable space for family and guests, with the flexibility for a bunk room, nursery or dedicated home office.

Fresh, modern bathrooms throughout.

Practical space for mountain life.

A dedicated laundry room, direct garage access and extensive built-in storage make it easy to manage skis, bikes and everyday gear year-round.

Four seasons covered deck.

The one-bedroom revenue suite adds valuable options for rental income, extended family or guests, with an inviting living area and covered outdoor space.
