REVEL IN THE SERENITY

Revel in the serenity of all things Pemberton in this privately situated 3-bedroom cabin plus acreage offering endless views that span across Pemberton Valley to Mount Currie. Located just a few pedal strokes away from North Arm Farm, and minutes away from Pemberton Village, the property offers enviable sun exposure, airtight wood stove and is defined with modern accents throughout including the cherry-red Big Chill retro-styled appliances that add distinctive character to this classic cabin. Recent upgrades include new heating and AC systems, new septic system, well and water treatment system, plus over 800 sq.ft. of storage. Located on a 10-acre parcel with flexible Agricultural 1 zoning, explore commercial opportunities including food production, brewing, agricultural B&B, events plus more.
