# DUAL MOUNTAIN ACCESS

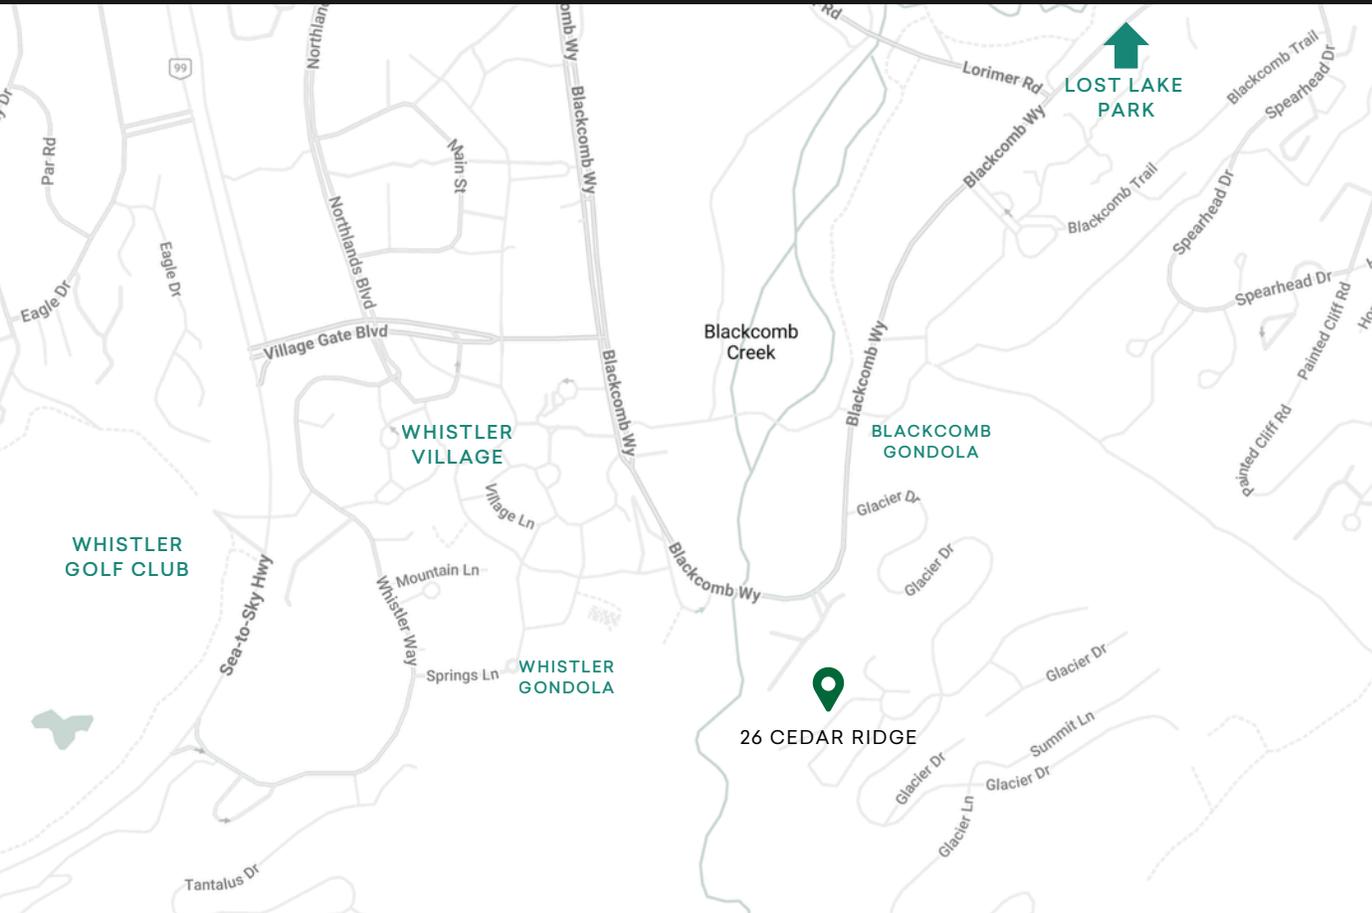

Set in Cedar Ridge in Whistler's sought-after Benchlands, this 4-bedroom townhouse offers true ski-in/ski-out access just moments from the lifts. Vaulted ceilings and tall windows frame the open-concept living area, filling the home with natural light, while southwest exposure captures beautiful valley views. A wood-burning fireplace anchors the space, creating a warm alpine retreat after a day on the mountain. A single-car garage adds practical storage and convenience, and Phase I zoning allows for flexible owner use—an ideal blend of lifestyle and versatility in one of Whistler's premier locations.
