CONTEMPORARY BY DESIGN

Imagine a Whistler lifestyle where the car rarely leaves the driveway. Located in the heart of White Gold, this contemporary chalet places Whistler Village, Lost Lake, the Valley Trail, and an extensive network of biking, hiking, snowshoeing, and cross-country skiing trails just moments away. Walk to dinner, spend summer mornings at the Farmers' Market, and enjoy the convenience of one of Whistler's most sought-after neighbourhoods.

Defined by clean lines and a seamless connection to its natural surroundings, the residence is filled with natural light and carefully framed mountain views. Private outdoor areas, flexible family spaces, and an effortless connection between indoors and out create a home equally suited to quiet retreat and active Whistler living.

Contemporary by design

A restrained palette of wood, steel and glass creates a timeless architectural expression. Thoughtful detailing and abundant natural light bring balance and simplicity to the interiors while maintaining a strong connection to the surrounding landscape.

Living with the landscape

Open, connected living

The principal living spaces flow naturally between the kitchen, dining area, lounge, and outdoor entertaining spaces. Generous glazing and carefully considered sightlines create a sense of openness while maintaining a comfortable scale for everyday living.

Clean lines. Thoughtful design.

Designed for entertaining

Modern mountain architecture

Positioned to capture sunshine and mountain views, the expansive deck extends the living experience outdoors. Surrounded by mature trees and established landscaping, it provides a private setting for entertaining, dining, and enjoying long summer evenings in White Gold.

A private primary retreat

Outdoor living, elevated

From relaxed mornings overlooking the mountains to evenings spent entertaining on the deck, the home's interconnected living spaces are designed to be enjoyed throughout the seasons. Outdoor gathering areas, private sun-filled terraces, and a comfortable family room create flexibility for both quiet retreat and time spent together after a day exploring Whistler's trails, lakes, and ski slopes.

Private fenced and treed backyard

Flexible family living

Comfortable accommodation for family and guests

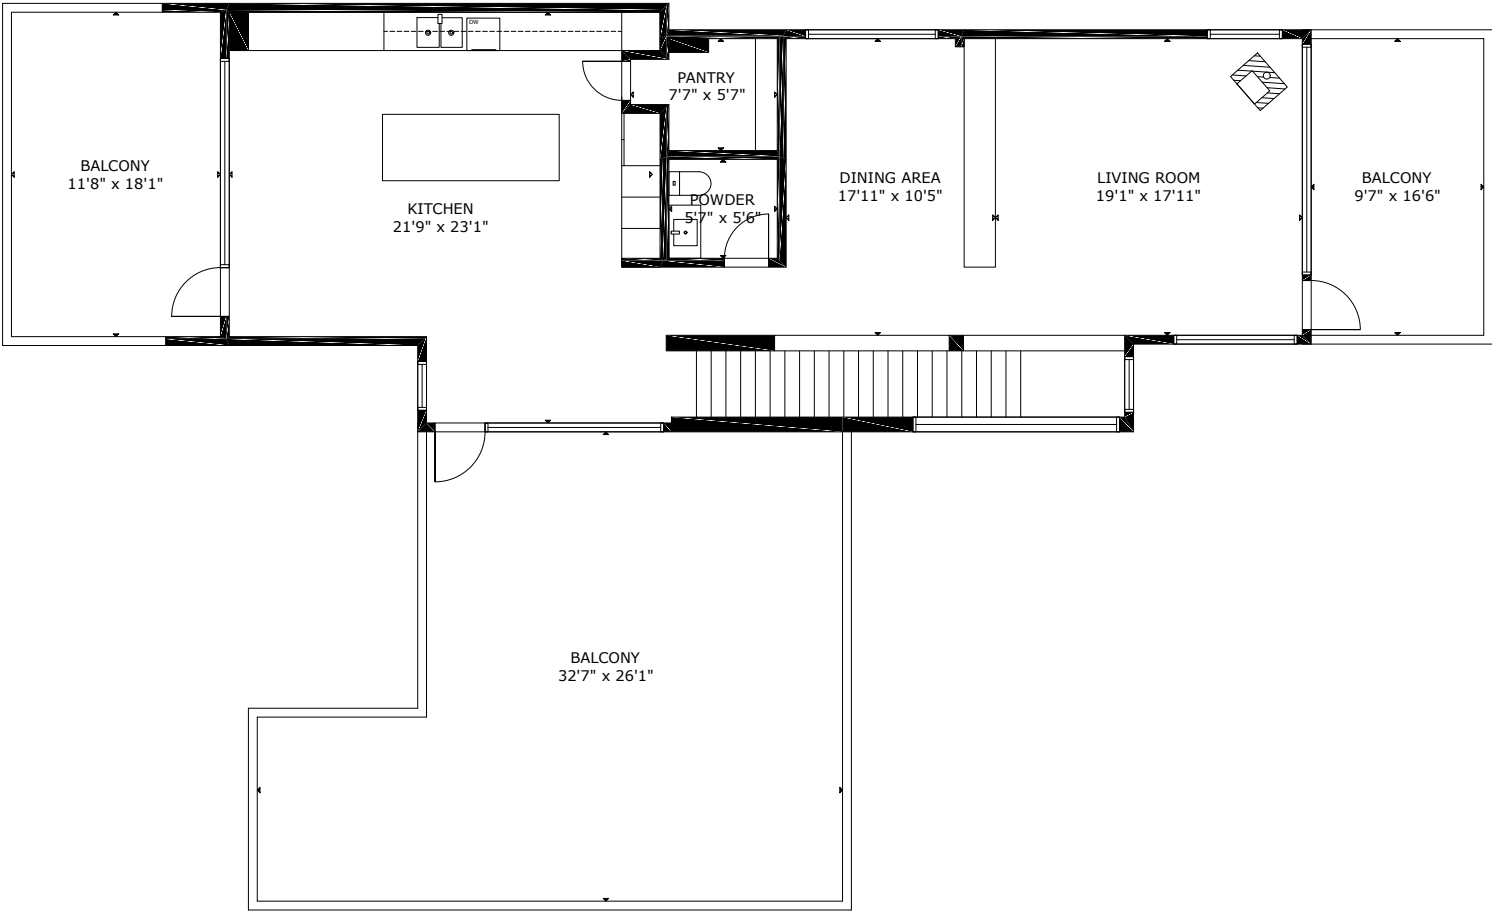

Well-appointed bedrooms and flexible living spaces offer comfort and privacy throughout the home. Thoughtfully arranged for both everyday living and visiting guests, the layout supports a variety of lifestyles and stages of family life.
